

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 447 - SB 525

February 12, 2013

SUMMARY OF BILL: Expands the scope of local education agency (LEA) health programs to include identification of students who are at risk for Type II diabetes.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Currently, LEAs are authorized to implement programs identifying students who are at risk for obesity.
- LEAs that currently have programs in place will not need additional staff or a significant increase in supplies or informational materials to include Type II diabetes in their scope.
- Any permissive increase in local expenditures will be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
